2026 CAMP Themes

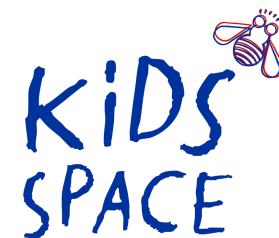

#	DATES	THEME	DETAILS
1	January, 5 th - 9 th	Mandarin Explorers	Embark on an exciting journey into the world of Chinese language and culture. At Mandarin Explorer Camp, children will discover the joy of learning Mandarin through fun and engaging activities. From interactive games and lively music to hands-on art projects and creative writing, each day brings a new adventure. Kids will explore Chinese characters, sounds, and stories in a playful environment that sparks curiosity and confidence.
2	January, 12 th - 16 th	Artletics Camp	A dynamic blend of sports, action games, and creative art-making, this camp brings out the young athlete and artist in every child. Campers run, jump, and explore movement through fun mini-sports, then transform those experiences into art—painting motion, crafting sporty props, and designing playful creations.
3	February, 16 th - 20 th	Flavour Meets Form [Food x Art]	Flavour meets form, young artists will discover how everyday foods can inspire amazing works of art. Inspired by artists like Andy Warhol, who turned the famous Campbell's soup can into an iconic artwork, kids will explore the playful side of food in creativity.
4	March, 16 th - 20 th	The Curious Chef [Cook x Science]	At The Curious Chef, science and cooking come together in a deliciously fun way. Kids will experiment in the kitchen like real food scientists—mixing, baking, and creating tasty treats while uncovering the science behind each recipe. From bubbling reactions to creative flavor play, every activity sparks curiosity, creativity, and yummy discoveries.
5	March, 30 th - April, 3 rd	Spring Wonders: Easter	Celebrate the joy of Easter at Spring Wonders Camp. Children will discover the meaning of Easter and Good Friday through engaging stories, hands-on cooking, and festive crafts. From creating seasonal treats to making colorful holiday art, kids will enjoy a heartwarming blend of learning, creativity, and celebration during this special springtime camp.

#	DATES	THEME	DETAILS
6	April, 6 th - 10 th	Creative Globe-Trotters [Culture x Art]	Pack your imagination and get ready to travel the world. At Creative Globe-Trotters, kids will explore the rich cultures and artistic traditions of different countries—from patterns and colors to festivals and stories. Each journey inspires hands-on art projects, where children create their very own masterpieces inspired by the world around them.
7	May, 1 st	Labour Day PH: Tribal Trails	Get ready for adventure at Tribal Trails Camp. Kids will explore the outdoors, solve fun challenges, and engage in hands-on activities like crafting, nature games, and teamwork adventures.
8	May, 27 th	Hari Raya Haji PH: Little Adventurers	Step into the outdoors with Little Adventures. Kids will explore nature, get creative with art and gardening, and have fun with hands-on projects like mud tie-dye—all while enjoying a summer full of adventure and discovery.
9	June, 1 st - 5 th	Realm of Imagination	Step into the Realm of Imagination, where fantasy comes alive. Kids will dive into a world of fairies, magical creatures, and enchanted adventures, exploring their creativity through art, drama, and storytelling. From crafting magical props to acting out whimsical tales, every day sparks imagination, self-expression, and playful learning in a truly magical setting.
10	June, 8 th - 12 th	Chef Hat Squad	Join the Chef Hat Squad for a culinary adventure around the world. Kids will explore the flavors and traditions of different countries while learning basic cooking skills in a fun, hands-on way. From tasting new ingredients to creating simple dishes inspired by global cuisines, campers will develop a love for food, culture, and creativity—all while wearing their chef hats with pride!

#	DATES	THEME	DETAILS
11	June, 15 th - 19 th	Eco Explorers	Get ready to think outside the box and go wild at Eco Explorers Camp. Kids will discover the power of upcycling, recycling, and eco-friendly creativity through fun, hands-on projects. From crafting with recycled materials to playful experiments and imaginative challenges, campers will explore, create, and make a positive impact on the planet.
12	June, 22 nd - 26 th	Old-School Fun Factory	Step into the Old School Fun Factory and bring the magic of childhood classics to life. Kids will create toys, games, and crafts inspired by the fun of the old days, discovering how simple materials and imagination can spark endless joy.
13	June, 29 th - July, 3 rd	Little Lab Explorers [Science x Art]	Step into the world of discovery with Little Lab Explorers. Kids will dive into chemistry, biology, and physics through hands-on experiments, playful investigations, and creative art projects. From fizzy reactions to colorful creations, each activity sparks curiosity, critical thinking, and imagination, showing that science can be as fun and creative as art.
14	July, 6 th - 10 th	The Curious Chef [Cook x Science]	At The Curious Chef, science and cooking come together in a deliciously fun way. Kids will experiment in the kitchen like real food scientists—mixing, baking, and creating tasty treats while uncovering the science behind each recipe. From bubbling reactions to creative flavor play, every activity sparks curiosity, creativity, and yummy discoveries.
15	July, 13 th - 17 th	Time Travellers [History x Art]	Step into the past with Time Travellers Camp, where history and art come together. Kids will journey through different eras, exploring historical events, cultures, and stories, then bring them to life through hands-on art projects. From ancient civilizations to famous landmarks, each adventure sparks imagination, creativity, and a deeper understanding of the world's history.

#	DATES	THEME	DETAILS
16	August, 10 th	Little Carnival Explorers	Step into the world of fun, colors, and celebration at Little Carnival Explorers. In this exciting one-day camp, kids will learn about festivals through hands-on play, crafts, and creative art projects. From making vibrant decorations to interactive games, every activity sparks curiosity, creativity, and a love for cultural traditions—all while having a blast!
17	September, 7 th - 11 th	Creative Globe-Trotters [Culture x Art]	Pack your imagination and get ready to travel the world! At Creative Globe-Trotters, kids will explore the rich cultures and artistic traditions of different countries—from patterns and colors to festivals and stories. Each journey inspires hands-on art projects, where children create their very own masterpieces inspired by the world around them.
18	September, 21st - 25 th	Little Architect [3D x Art]	Step into the world of buildings, design, and imagination at Little Architecture Camp. Kids will explore famous architecture, landscapes, and 3D building techniques, learning how structures are created while expressing their creativity. Through hands-on building projects, model-making, and artistic design activities, children will develop an appreciation for architecture, spatial thinking, and problem-solving
19	September, 28th - October, 2 nd	Space Adventures	Blast off into a world where science and imagination meet. At Space Adventure Camp, kids will explore planets, stars, and galaxies while engaging in hands-on STEM experiments, creative projects, and imaginative storytelling. From building rocket models to exploring cosmic phenomena, each activity sparks curiosity, creativity, and a love for discovery beyond our world.

2026 CAMP Themes

#	DATES	THEME	DETAILS
20	October, 12 th - 16 th	Mystic School of Wonders	Step into the enchanting world of the Mystic School of Wonders, where magic, creativity, and imagination come alive! Kids will explore fantasy realms, mystical creatures, and magical arts through hands-on activities like crafting magical props, storytelling, and role-play adventures.
21	October, 19 th - 23 rd	Spooktacular Fun	Get ready for a week full of tricks, treats, and Halloween excitement at Spooktacular Fun. Kids will enjoy hands-on crafts, festive games, and creative activities inspired by the spooky season. From pumpkin decorating to magical Halloween experiments, every day is packed with fun, imagination, and playful thrills perfect for little ghouls and ghosts.
22	November, 9 th	Diwali PH: Deepavali Discovery	Celebrate the beauty of Deepavali through colour, creativity, and culture. In this joyful camp, children explore the Festival of Light with hands-on art, simple cultural stories, and playful sensory experiences. Kids create rangoli-inspired art, decorate paper diyas, enjoy festive colours, and learn about kindness, light, and togetherness in a fun, respectful way.
23	November, 23 rd - 27 th	Black Friday Fashion Lab [Fashion x Art]	Step into the world of fashion and creativity at Black Friday Fashion Lab. Kids will explore the work of famous fashion designers, learn about style, colors, and trends, and create their own stylish outfits and accessories. Through hands-on projects, design challenges, and artistic expression, young designers will bring their fashion ideas to life and discover the fun of being a mini fashionista.

2026 CAMP Themes

#	DATES	THEME	DETAILS
24	November, 30 th - December 4 th	Mini Dectective	Become a junior detective and creative artist. Kids will solve mysteries, crack codes, hunt for clues, and create detective-inspired art. Every activity sparks curiosity, imagination, teamwork, and creativity, turning little sleuths into problem-solving and art-making pros.
25	December, 7 th - 11 th	Lit & Lines Book Adventure	Step into the world of books, imagination, and creativity. In Lit & Lines, kids will explore stories, characters, and adventures from books and bring them to life through doodling, writing, drawing, and creative projects. Every activity sparks imagination, self-expression, and a love for reading, letting children explore, create, and imagine without limits.
26	December, 14 th - 18 th	Little Elf Journey	Embark on a magical adventure with Little Elf Journey. Kids will step into the world of Santa's helpers, exploring festive arts, crafts, games, and holiday storytelling. Each activity sparks creativity, imagination, and joyful holiday spirit, letting little elves create, play, and celebrate the season in a fun and hands-on way.
