

# CLUB CLASSES

Step into a space where creativity unfolds effortlessly, where curiosity leads the way, and every moment invites wonder. Thoughtfully designed for growing minds, each class is an invitation to *create, discover, and express freely* through the arts and everyday adventures. Whether you're joining us for a single session or diving into unlimited classes, your little one is supported to explore at their own pace in a space that feels natural, joyful, and full of possibility.

 **Pro Tip:** Children thrive on routine! We recommend booking in regular blocks, especially for our littlest ones.

Where  
learning  
feels  
like play.

# BLUOP!

babble,  
wiggle and  
giggle to  
the beat

Created by sound artist and educator Dr. Natalie A. Tse, this sonic experience invites babies to wiggle, giggle, and groove through a world of rhythms, pulses, and playful sonic surprises. With live music, movement, and hands-on exploration, *little ones and their caregivers bond*, immersing in the joy of sound.

Let  
your  
senses!  
come  
alive!

# SENSE

6M  
-  
3Y

Gentle, exploratory play designed to awaken the senses through tactile stations. Each session nurtures *early development* while fostering joy and *discovery* through touch, sight, sound, and more.

# LISTEN, IMAGINE & WRITE

Chase  
away  
writer's block

4Y  
-  
6Y

Through discussion, drama, and imaginative play, this storytelling and early writing class nurtures *comprehension, creativity, and critical thinking*. Curious minds explore new ideas, building confidence as they *develop their own voices*.

# AROUND THE WORLD

5y  
&  
Above

From Tokyo to Mexico, children journey through rich global traditions, expressing themselves through *art, storytelling, and themed projects* inspired by a new country each month.

pack your  
imagination  
& explore  
new cultures

# YES! SPACE

Say Yes!  
to play,  
presence &  
possibility

12M  
-  
6Y

Yes! Space is a gentle invitation to *explore, connect, and create in a safe, mess-friendly environment*. With open-ended tools and thoughtful materials, children build confidence, creativity, and resilience—at their own pace. Each session offers caregivers a moment to pause, breathe, and witness the wonder unfolding. It's not just play, it's presence. Because the spaces we shape, shape their inner voice.

# MUSIC & CHINESE

Chinese  
made fun  
through  
music &  
play!

12M  
-  
4Y

Little ones explore Mandarin through *music*, *rhymes*, and *sensory activities* in an experience that's playful, intuitive, and full of rhythm.

# LITTLE TALKERS

step into  
the magical  
world of  
sounds &  
words

12M  
-  
3Y

Through *play-based literacy*, children build *communication skills* and a love for language, helping little voices grow louder and prouder.

# TINY WALKERS

\$

Big steps for little feet!

18M  
-  
3Y

Step into an adventure with *Jungle Playgroup*, where new explorers are invited to play, connect, and grow. Designed to ease transitions into group learning, this experience nurtures *social confidence* and *emotional resilience* through guided play. Little ones navigate new environments, build friendships, and discover the joy of learning in a space that feels natural, supportive, and full of wonder.

# BILINGUAL ART

ignite  
creativity  
in **two**  
languages

3Y  
&  
Above

Through English and Mandarin, children explore art, share ideas in *show-and-tell*, and build *vocabulary*, expressing big ideas creatively across two languages.

# SCIENCE SPROUTS

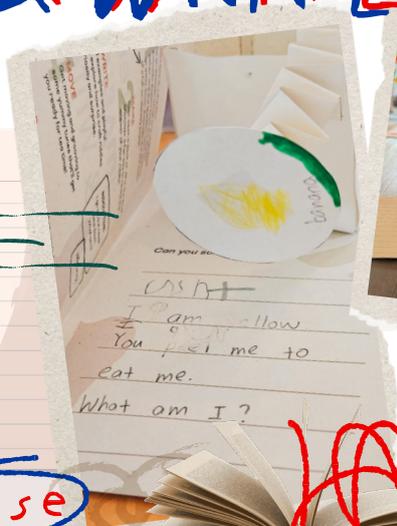

experiment &  
discover the  
wonders of  
science!

3Y  
-  
5Y

Young explorers dive into hands-on *experiments* and *creative crafts*, uncovering the fascinating wonders of science. From bubbling reactions to wild discoveries, each session sparks curiosity and turns learning into an *eye-popping adventure*.

# LISTEN, IMAGINE & WRITE

Chase  
away  
writer's block

Through discussion, drama, and imaginative play, this storytelling and early writing class nurtures *comprehension, creativity, and critical thinking*. Curious minds explore new ideas, building confidence as they develop *their own voices*.

# COOK

Cook up  
a storm

3Y  
&  
Above

Turn the kitchen upside down with weekly recipe adventures. Chef Felicia guides little chefs through new creations in a warm, supportive space. Designed for tiny hands and big appetites, this class nurtures *confidence*, builds *motor skills*, and sparks early *math mastery*, all through the joy of cooking.

# CHARACTER CUBS

build  
confidence  
through play

2Y  
-  
4Y

Growing up can be tough, but at Character Cubs, little ones build essential skills through simple routines and shared play. They explore *friendship*, *sharing*, and *emotional regulation*, gently preparing for school life in a way that feels natural, supportive, and fun.

# CHINESE SING & STORY

a sensory  
journey into  
Chinese writing

3Y  
-  
5Y

Children explore *folktales*, traditional *songs*, and *early writing* through a multi-sensory approach filled with crafts, rhythm, and joyful learning.

Energise,  
groove &  
move to  
the beat!

# MUSIC & MOVEMENT

6M  
-  
3Y

Groove, move, and let the music take control. From clapping to dancing, kids move to the rhythm with instruments, and songs that build *coordination*, *confidence*, and *musical joy*.
