

# CLUB CLASSES

Step into a space where creativity unfolds effortlessly, where curiosity leads the way, and every moment invites wonder.

Thoughtfully designed for growing minds, each class is an invitation to *create, discover, and express freely* through the arts and everyday adventures. Whether you're joining us for a single session or diving into unlimited classes, your little one is supported to explore at their own pace in a space that feels natural, joyful, and full of possibility.

 **Pro Tip:** Children thrive on routine! We recommend booking in regular blocks, especially for our littlest ones.

Where  
learning  
feels  
like play.

# HUMM....

feel the sound  
before the  
words begin

Before words, there is sound. Before sound, there is feeling. Guided by Dr Nat's SonicPlay™ approach, Humm... invites expectant mothers and newborns to *slow down, tune in, and connect through vibration.*

Expectant  
Mothers  
&  
OM - 4M

For expectant mothers, each session offers a rare, unhurried moment to listen inward. For mums and newborns together, it becomes a field of warmth and closeness, where sound is safety, and vibration is the earliest form of knowing.

# BLUOP!

babble,  
wiggle and  
giggle to  
the beat

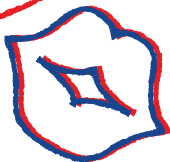

Created by sound artist and educator Dr. Natalie A. Tse, this sonic experience invites babies to wiggle, giggle, and groove through a world of rhythms, pulses, and playful sonic surprises. With live music, movement, and hands-on exploration, *little ones and their caregivers bond*, immersing in the joy of sound.

Let  
your  
senses  
come  
alive!

# SENSE

Gentle, exploratory play designed to awaken the senses through tactile stations. Each session nurtures *early development* while fostering joy and *discovery* through all five senses—building *fine motor skills*, *social interaction*, and *creative expression* in a safe, nurturing environment.

# LITTLE ZEN LAB

*slow down,  
breathe,  
and create  
freely*

12M  
-  
6Y

Little Zen Lab is a cosy sanctuary where children *pause from the bustle*, explore at their own pace, and discover their inner calm. Creativity flows without rigid rules—curiosity shines, mistakes are welcome, and confidence grows.

Instead of rushing, little ones *follow their instincts*, enjoy the process, and celebrate the joy of creating. Each session nurtures *focus, resilience, and pride in discovery*, turning quiet moments into powerful sparks of growth.

# MUSIC & CHINESE

Chinese  
made fun  
through  
music &  
play!

12M  
-  
4Y

Little ones explore Mandarin through *music, rhymes, and sensory activities* in an experience that's playful, intuitive, and full of rhythm.

# Energise, groove & move to the beat! MUSIC & MOVEMENT

6M  
-  
3Y

Groove, move, and let the music take control. From clapping to dancing, kids move to the rhythm with instruments, and songs that build *coordination*, *confidence*, and *musical joy*.

# LITTLE TALKERS

step into  
the magical  
world of  
sounds &  
words

12M  
-  
3Y

Through *play-based literacy*, children build *communication skills* and a love for language, helping little voices grow louder and prouder.

# CREATE

Find your  
voice  
through art

12M  
&  
Above

Create is where lil' artists unleash their inner Picasso and embark on a journey of discovery—*exploring freely, playing boldly, and finding their creative voice*. Each session blends diverse art styles, movement-based activities, and playful mediums—encouraging curiosity, problem-solving, and confidence through a process-guided approach.

# TINY WALKERS

\$

Big steps for  
little feet!

18M  
-  
3Y

Step into an adventure with *Breakfast Club* playgroup friends, where new explorers are invited to play, connect, and grow. Designed to ease transitions into group learning, this experience nurtures *social confidence* and *emotional resilience* through guided play. Little ones navigate new environments, build friendships, and discover the joy of learning in a space that feels natural, supportive, and full of wonder.

# CHARACTER CUBS

build confidence through play

2Y  
-  
4Y

Growing up can be tough, but at Character Cubs, little ones build essential skills through simple routines and shared play. They explore *friendship*, *sharing*, and *emotional regulation*, gently preparing for school life in a way that feels natural, supportive, and fun.

# BILINGUAL ART

ignite  
creativity  
in two  
languages

3Y  
&  
Above

Through English and Mandarin, children explore art, share ideas in *show-and-tell*, and build *vocabulary*, expressing big ideas creatively across two languages.

# SCIENCE SPROUTS

experiment &  
discover the  
wonders of  
science!

3Y  
-  
5Y

Young explorers dive into hands-on *experiments* and *creative crafts*, uncovering the fascinating wonders of science. From bubbling reactions to wild discoveries, each session sparks curiosity and turns learning into an *eye-popping adventure*.

# LISTEN, IMAGINE & WRITE

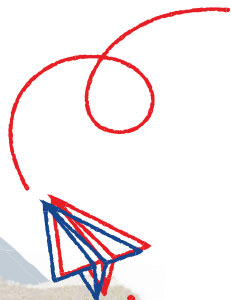

Chase  
away  
writer's block

4Y  
-  
6Y

Through discussion, drama, and imaginative play, this storytelling and early writing class nurtures *comprehension, creativity, and critical thinking*. Curious minds explore new ideas, building confidence as they *develop their own voices*.

# AROUND THE WORLD

5y  
&  
Above

From Tokyo to Mexico, children journey through rich global traditions, expressing themselves through *art, storytelling, and themed projects* inspired by a new country each month.

pack your  
imagination  
& explore  
new cultures

# COOK

Cook up  
a storm

3Y  
&  
Above

Turn the kitchen upside down with weekly recipe adventures. Chef Felicia and Marilyn guide little chefs through new creations in a warm, supportive space. Designed for tiny hands and big appetites, this class nurtures *confidence*, builds *motor skills*, and sparks early *math mastery*, all through the joy of cooking.
